P.L.T (PUPIL LEADERSHIP TEAM) ACTIVITY

Some of our KS2 P.L.T members had the chance to pose questions to Councillors Hoddinott and Ellis when they came to school to discuss how their council surgeries take place. Pupils discovered what they need to do to enable them carry out their own surgeries from January. Last week, pupils carried out a litter-picking exercise with Councillors Reed and Hoddinott. Pupils were disturbed at the extent of the dog-fouling and dumping of rubbish around the school perimeter and have plans to tackle these problems in the near future.

On Friday, several members of the team joined PCSOs in the neighbourhood to carry out speed-checks. They were successful in scanning a number of drivers who were breaking the speed limit in the area between Markfield Drive and Fleming Way.

WELL DONE TEAM! Great RESPECT and COLLABORATION.

There are many activities planned for the NEW YEAR which will involve all our team members.

POLITE NOTICE

In the interests of all parties, we ask families not to tie their dogs to the school fencing/railings or to posts near to the school entrances. Incidences of dog-owners leaving their pets in this way have led to distressing outcomes for pupils, dogs and their owners. Thank you in advance for your appreciation of our concerns.

PARTIES

*Children may wear party clothes/Christmas jumpers for their class parties.

*Though school will be providing party nibbles, we are always appreciative of donations of buns, biscuits or cakes. If you would like to donate any of the above, please do so the day before the parties.

Our school concert charity collection this year will be in aid of SAFE AT LAST. www.safeatlast.co.uk
