

# House Captains Yearly Aims

The House captains will meet with leaders in school over the course of the year.

House leaders will:

- Focus on delivering assemblies about their values.
- Support Mrs Sheriff in the celebration assemblies to announce the number of team points they have.
- Have a strong focus on equality and equity. They will do this by discussing what equality is at Flanderwell and what it means and how we show this.
- Focus on the wellbeing and mental health of pupils at Flanderwell. Our house captains will be wellbeing champions, supporting our ELSA: Mrs McGregor.
- Develop identity at Flanderwell linked to the values.
- Meet and greet visitors that come into school.
- House captains will take part in interviews of new staff.
