"Every child, every minute, every hope."

Tuesday 9th November 2022

Dear Families,

I hope you've had a lovely weekend.

We are looking forward to seeing you at our parent/carer meetings, this week and sharing your child's learning journey so far, this term.

We ask that you arrive at the main entrance to school when attending any of our meetings.

Staff Goodbyes:

We said goodbye to one of our lovely teaching assistants, Mrs C Shaw, on Friday. Mrs Shaw had been at Flanderwell for 5 years and provided excellent support for pupils in many of our year groups. We wish her all the very best for the future.

Out and About:

Our pupils continue to be out and about in the community, further afield or on home-ground, having some super experiences. Most recent adventures include the Y3 visit to Magna and the Y2 visit to East Midlands Airport. Both provided excellent opportunities for children to consolidate classroom learning. Two further visits will take place this week – FS2 pupils will travel to Cannon Hall Farm and Y5 will be visiting The Space Centre.

THANK YOU 😊

Online Safety Opportunity:

We are pleased to be able to offer all parents and carers the chance to attend a Training and Awareness of Online Safety session, this month.

As I am sure you will agree, the more our children access the ever-growing range of technology/apps for social pleasure, the more important it is to ensure that they are protected from potential risks. Please see below for booking details.

Please let us know if you would like support to be able to access either one of the sessions.

For a range of resources and information relating to KEEPING CHILDREN SAFE, please visit our school website: <https://flanderwell.co.uk/safety-matters/>

The poster is for 'Safeguarding Awareness Week 2022' and focuses on 'Online Safety'. It is titled 'Online Safety' in large blue letters, with the subtitle 'Training and awareness for Parents/Carers (of Primary age children)'. A list of topics for the session includes: 'What are children and young people doing online', 'What are the risks and opportunities', 'What can we do to keep young people safe online', 'Further information and resources available', and 'How to report concerns'. It states the session is 30 minutes long and delivered via Microsoft Teams. Two booking options are provided for Tuesday 22nd November: 10am and 6pm, each with an Eventbrite link and a QR code. Road Safety:

If you currently drop off your children from your car, onto Greenfield Court, we urge you to reconsider. The majority of our pupils walk to school and are entitled to access the pavements safely. without having to squeeze past parked cars that block and limit access to the paths leading into school, or are parked directly in front of the school gates, on the zig-zagged areas. Last week, we witnessed a near miss due to parking on zig-zags. Please help us to keep your children safe 😊
